**A BRIEF PROFILE OF LATE SHRI.K.R.RAMAMANI**

Shri K.R.Ramamani was born on **November 30, 1927** in Shimoga, Mysore to Shri K.S.Rajagopala Iyengar, a leading Civil Advocate. Shri.Ramamani completed his schooling at P.S.High School in Mylapore as a stellar student and joined the Madras Presidency College at the age of 16 for his undergraduate studies in B.Sc. (Hons.) Physics. Since he had grown up in the age of revolutionary advances in physics, his dream was to join the academic world, teach and conduct research in the forefront of physics.

Shri.Ramamani's academic ambitions in Physics were however shattered by the untimely death of his father at the age of 50, when Shri.Ramamani was only eighteen years old. Under the guidance of his father's relatives and colleagues, he was advised to move his major to Law, an area where he could establish his profession fairly quickly, given that he had a mother and a younger sister to support. He was **admitted to the Bar in 1950** and joined the leading firm founded by Shri.M.Subbaraya Aiyar as an Apprentice of Law.

Shri.Ramamani's razor-sharp intelligence and an ability to think of his feet, coupled with his unassuming manner and quiet ways, made him a rising celebrity in legal circles. In 1962, Subbaraya Aiyar promoted him to be as Partner in his firm thereafter called **Subbaraya Aiyar, Padmanabhan & Ramamani Advocates (S.A.P.R Advocates)**.

Under Shri.Ramamani's able stewardship, the firm grew to become one of the leading firms in direct & indirect taxation in the whole of India, especially south India. Since its inception, the firm has given rise to many notable figures in the judiciary such as **Retd. Hon'ble Justice P.P.S.Janardhana Raja, Retd. Hon'ble Justice Sethuraman, Retd Hon'ble Justice M.M.Ismail, Smt.Asha Vijayaraghavan, ITAT Judicial Member**; the firm has also produced and/or been associated with **more than half a dozen Senior Advocates** and **many Standing Counsels** who have established themselves as experts in their respective areas of specialization.

Shri.Ramamani's devotion to his profession was total. He took time off his very busy schedule to **teach law at the Madras Law College**. His keen interest in the academic aspects of his discipline persisted as he taught courses in taxation for nearly seven years. His lectures were widely attended and were considered masterpieces of taxation. Till this date, members of the legal fraternity fondly recollect his lectures and the impact it had on them.

Shri.Ramamani during this period also **edited and published** subsequent amendments and additions to one of the foremost legal books on Income Tax titled **"The Law of Income tax in India by V.S.Sundaram"**

With his growing sphere of influence, Shri.Ramamani was called to head many professional associations, societies and committees. He was appointed for two terms as a member of the **Central Tax Advisory Committee**, constituted by the Government of India. He was truly a doyen of the Bar and served as the **President of the Revenue Bar Association**, Chennai. He served on the **Board of Directors of more than 20 leading public companies** like Essar Shipping, Essar Steel, Ashok Leyland Finance Ltd, India Cements, Premier Mills Ltd, Ramco Industries Ltd, TAFE Ltd, TVS Suzuki Ltd, Sakthi Finance Ltd, South India Shipping Corporation Ltd, S&S Power Switchgear Ltd, Sundaram Fasteners Ltd,

Shri.Ramamani was heralded by industrialists, lawyers, chartered accountants and others as one of the **foremost authorities on Taxation** in India. His advice was much sought after and his Budget meetings, seminars and discourses were always in great demand. However, Shri.Ramamani's unique hallmark was not just being the foremost expert of his field but his completely unassuming and simple nature which impressed one and all that came into contact with him. For many people, from all walks of life, Shri.Ramamani was not just their tax advisor but their *guru* in the literal sense. The goodwill that Shri.Ramamani earned in his lifetime is immeasurable and till date he is very fondly remembered by one and all for both his legal achievements and his genuinely saintly nature.

Some of the services which were closest to his heart were working with charitable trusts and charitable institutions. He was the Founding Trustee of the Child's Trust Hospital and also served as a Trustee for the Indian Bank Mutual Fund and a member of the Ethics Committee of Sankara Netharalaya.

Shri.Ramamani realized a dream very close to his heart when in 1996 he started the RMT Matriculation School in Madarpakkam, located in the AP/Tamil Nadu border 65kms north of Madras. Shri.Ramamani's vision was to provide free English-medium education to the economically downtrodden, rural children who would otherwise be used for daily labour. The RMT School was thus born and functions as a fully charitable english-medium school providing free quality education, books, uniforms and milk to students. It has more than 450 students currently from classes LKG to XII<sup>th</sup> and is now recognized as one of the foremost schools in the Thiruvallur District. The RMT School has won many State Govt Awards and has given 100% results in the Matriculation Board Exams for the last 5 years. It can be said that Shri.Ramamani's vision has come true today in the form of the RMT School.

Shri.Ramamani was struck ill by a heart attack in late January 1998 and died due to complications arising from it on March 6th 1998. He is survived by his wife Smt.Hemalata Ramamani, his son Shri.Dr.K.R.Rajagopal, a world-renowned applied mathematician and daughter, Smt.Asha Vijayaraghavan, Hon'ble Member of ITAT, Bangalore.
